State Police Medevac helicopters can quickly reach anyone in Maryland to provide life-saving services. Since 1970, MSP crews have flown more than 130,000 victims to trauma and specialty care centers.

State Highway's CHART program helps keep traffic moving. Operators handle 24 hours, 7 days a week. Emergency traffic patrols assist 50,000 stranded motorists each year.

Welcome to Maryland, where your safety is our priority!

Help us keep Maryland roadways safe by taking these five steps to B-SAFE:

Buckle up.
Maryland Law - All drivers and front seat passengers must wear seatbelts.
All children under age 16 must be secured in a seat belt or child safety seat. For more information log onto mdsos.org or call 1.800.370.SEAT (1.800.370.7328).

Slow down - speeding kills.
Stop alert and slow down, especially in work zones.

Always drive sober.
Over the limit. Under arrest. Police strictly enforce drunk and drugged driving laws. Maryland is a two-tier State, you can be arrested for DUI with a Blood Alcohol Concentration (BAC) of .08% or DWI with a BAC of .02%.

Focus.
Inattentive driving is a factor in most crashes.

Everyone share the road - everyone gets home.
Stop for pedestrians in crosswalks and intersections. Look twice and save a life - share the road with cyclists.

Choose Safety for Life.
www.chooseasafetylife.com

Plan ahead - Check road conditions at www.roads.maryland.gov
- Exchange personal, insurance, license and registration information.

Call 911 for emergencies and #77 for disabled vehicle / assistance.

THE STAR-SPANGLED BANNER LYRICS
FRANCIS SCOTT KEY 1814

O say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watch'd were so gallantly streaming?
And the rocket's red glare, the bomb bursting in air,
Gave proof through the night that our flag was still there,
O say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?
